REACH OUT OF THE DARKNESS

Friend & Lover

I think it's so groovy now
That people are finally getting together
I think it's so wonderful and how
That people are finally getting together
Reach out in the darkness
Reach out in the darkness
Reach out in the darkness
And you may find a friend

I knew a man that I did not care for
And then one day this man gave me a call
We sat and talked about things on our mind
And now this man he is a friend of mine
Don't be afraid of love
Don't be afraid, don't be afraid to love
Everybody needs a little love
Everybody needs somebody
That they can be thinking of
