People would be wondering, "is that green snow"?

{this is In ma dream pimpin'}
I walk out the house theres camera flashes everywhere
Going to a movie shoot, didn't know what to wear
Limo smashing winds at hundred miles per hour
Like the nitrous on the beezer was on full power
I get out the lim' and theres people staring
They thinking bout makin' jokes, man im gna laugh at
em
theres a gang called Sonin chasing me with guns
Before I hit the limo I shout, yall look like fat nuns

{haha}
{ tell em }

1 trillion, 2 trillion, 3 trillion, 4 trillion
I'll be giving hobos and tramps 1 damn million
I'll be dropping shizzles everywhere I go
People would be wondering, "is that green snow"?

1 trillion, 2 trillion, 3 trillion, 4 trillion
I'll be giving hobos and tramps 1 damn million
I'll be dropping shizzles everywhere I go
People would be wondering, "is that green snow"?

{lets get to it pimpin'}
{yeah}
Wake up everyday thinkin' for the best
Get downstairs to eat, after you get dressed
Walk out meetin friends and making your way
Mamma says have a good day, then I say okay
Mischief hanging, get a bad phone call
Didn't read behavior slips on the wall
Phewww school day finishes, ready for your house
ma nodger so big makes yours look like a mouse

{its only the truth pimpin'}
{yo}
{tell em taff }

1 trillion, 2 trillion, 3 trillion, 4 trillion
I'll be giving hobos and tramps 1 damn million
I'll be dropping shizzles everywhere I go

I'll be giving hobos and tramps 1 damn million
