verse 1

Like the sequel it back/

See a fine ass and think you could hit that/

Smoke the ganga/ that hotboxed ur honda/

it's a hitch back/

See you get bitched slap/

With not one hands but 2/

Consider to be rude and impolite/

I spit the intro rite

simply as that/

fitted like caps/

So you wait for me to rap/

Nothing short of great/

Wack mc should hate me know cuz later could be late/

Hook

Wak mc don't try/

cuz u just end up losin/

if skills had to pick, i'd be the one they chosin/

fuck i thoughts this all from my head/

U Wack mcs make me tired i'm going to bed
