WHO WHO WHO
walking down your way and all I see is your pretty face
in the window and wonder why
WHO WHO WHO
Why do you got money on your mind
candy shop playing so loud that you are going to hit the
top
if 50 cent is the magic stick but than why does he need
a candy shop?
than you stop
and shake it like a salt shaker and i wonder why
who who
you can play it your way like 50 cent will say yeah,
but lil john wants it his way like yeah yeah yeah
who who who
call the party and maybe you tispny and who who who
gave that to you
and why are you lick 50 cents candy shop when you can
say yeah with
lil john
who who who
asked you
who who
loves you too
who who who
peace out my girls scouts!
