Backstreet thinks there so bad
It is kinda sad
But Fronstreets here to turn it around
So listen to our awesome sound

Everybody (yeah)
Knock her body (Yeah)
Knock her body (yeah)
Knock her body right
Fronstreets back alright

Let me tell you all a tale
Of a girl I dated her name was Gail
Her tounge had flavor better taste it now
Hamburgers are made of Cow

Am I original? (no)
Am I the only one? (no theres 5)
Am I sexual? (not quite)
Am I a bad ass you better answer me now

Chorus: Fronstreet Bad asses rock the streets
We hate fights messy we keep them neat
We're not the backstreet, damn they suck
Now run and quack like a duck

Now let me tell you more of it
My cousin in Zinno's name is Britt
We'll break it down at your party
Unless we see a girl that's a hottie

Am I original? (no)
Am I the only one? (no theres 5)
Am I sexual? (not quite)
Am I a bad ass you better answer me now

Chorus

So everybody kiss her there, do it without a care
And if you like body come on scream
As long as the BSB are there I'll be back again

Chorus 2x
