(J.Taglieri)

Not too long ago I thought I had it all
Love came along and stole my heart and I too the fall
But then another came along and the fire started
burning again
Now I just don't know which way to turn
'Cause I'm caught between
The two sides of love
Between what's real and what's fantasy
Between the two sides of love

Heads don't always win and tails don't always lose
It's not always clear just what you've got to chose
My heart's running in circles and I just can't keep the
pace
I never wanted to be in the race
'Cause I'm caught between
The two sides of love
Between what's real and what's fantasy
Between the two sides of love

Caught between a flame and a fire
Caught between a love and desire
Tell me what am I supposed to do
'Cause I'm caught
'Cause I'm caught between
The two sides of love
Between what's real and what's fantasy
Between the two sides of love
