Tell me what can I do with it
Tell me what can I do with it
Tell me what can I do with it
Tell me what can I do with it

It started when I was young
Tell me what can I do with it
Then stopped for a while
Tell me what can I do with it

Baby baby it's not a crime
Baby baby it's not a crime
Baby baby it's not a crime
Baby baby it's not a crime

...it's always a different story, you know?
So weird, so weird...
This place doesn't look like anything else

You hold me for a little (?)
If you stay in the middle
Learn the lesson of time

For once in your life
You should say the things you like
Learn the lesson of time

Welcome to paradise
Welcome to paradise
Welcome to paradise
Welcome to paradise

Welcome to paradise
Welcome to paradise
Welcome to paradise
Welcome to paradise

Welcome to paradise
Welcome to paradise
Welcome to paradise
Welcome to paradise

The lesson of time
The lesson of time
The lesson of life
