"Tune In"

I thought we felt as one
It was great to be there with you
It's so hard to tune in when I don't know what you're
thinking
It's so hard to tune in when I don't know what you're
thinking

You switched to channel two
I am lost and I don't know what to do
It's so hard to tune in when I don't know what you're
thinking
It's so hard to tune in

And my love
Is too much to take
And my love
Is something I can't fake
And my heart
Is about to break

I turn a radio on
Just to hear the same voice coming through my
earphones
It's so hard to tune in when I don't know what you're
thinking
It's so hard to tune in when I don't know what you're
thinking

Don't make me feel so bad
I am not a stalker knocking at your door
It's so hard to tune in when I don't know what you're
thinking
It's so hard to tune in

And my love
Is too much to take
And my love
Is something I can't fake
And my heart
Is about to break

And my love
And my love
And my love
Is too much to take
And my love
Is something I can't fake
And my heart
Is about to break
