It is funny to live in Rome and stay with the Pope
It is funny to live in Rome and to stay with the Pope

If you go to Rome, no find fault
If you live in Rome, no talk hard
If you are in Rome, do as the Romans do

Knowledge is power
Example is better than preaching
Knowledge is power
Example is better than preaching

He who loves the glass without tea
Take away Hell and that is he
When you are in Rome, do as the Romans do
And you will get through

It is funny to live in Rome and to stay with the Pope
It is funny to live in Rome and to stay with the Pope

If you go to Rome, no find fault
If you live in Rome, no talk hard
When you are in Rome, do as the Romans do

Knowledge is power, this I know
Knowledge is power, I know, I know
That knowledge is power
Knowledge is power, no matter what

Knowledge is power, all you're gonna do
Knowledge is power, all you're gonna do
Knowledge is power
