[Krayzie]  
Believe  
Believe me

[Layzie]  
Just put your trust in me  
Believe me, believe me  
Just put your trust in me  
Believe me

[Krayzie]  
Gotta believe it

[MT5]  
Let me show you love  
Heaven sent above  
Close your eyes and dream  
Believe

Ooh, I believe every woman deserves  
To see every once in a life a one-way ticket  
No fantasies, so when you close your eyes  
At night, the tears you fight  
I wanna let you know  
Everything's gonna be alright, alright  
Alright, now, baby  
Girl, I only wanna hold you, baby  
Never shared some kind of lovin', baby  
Our experience is beautiful, incredible  
Let's take it slow  
Take my hand and believe me, baby  
Our love will last forever, lady  
'Cause you know everything will be alright  
Ooh, baby

(Chorus)

[MT5]  
What will it take for you to realize  
It's through your eyes that I can see my destiny?  
And through your pretty smile

I see your fears and insecurities  
It's you and me 'til eternity  
And now we're hand in hand  
And your my girl, and I'm your man  
Each day I'm thankin' God  
Fulfilled my dreams, and fixed your heart  
So, baby, close your eyes  
And no more tears, and no more cries  
You just gotta believe.

(Chorus)

[Krayzie]  
Thugs believe you can achieve the goal you're seekin'  
if you really love it

[Layzie]  
Get down for your thang and maintain  
if you feel enough

[Krayzie]  
...faith, you gotta have a little bit of faith  
Just a little bit

[Layzie]  
Parlay, be safe, and you can't forget to pray

[Krayzie]  
Oh yeah, it's a struggle sometimes  
But there's a lot of people steady goin' under  
But I ain't the one to stumble  
Me break, no crumble, ready to rumble  
Fight for the right to unite and be humble  
People all over the world...

[Layzie]  
...follow me, 'cause I know the ride  
and I will show you right

Stayin' on my mission, keepin' it focused  
You gotsta play by the rules  
That's why game paid my dues  
Went to the top with my trues  
You snooze, you lose  
Now you know that  
Quit actin' like you don't care  
If you with it, and you prepared  
Pump your fist up in the air  
And holler Mo Thug love  
It's my Mo Thug family

(Chorus)
