Well you're not gonna break my heart  
'Cause my heart ain't what I'm givin' to you  
And I'm not gonna beg for yours  
'Cause that's not what I am here to do

You're not faithful but you're true  
And I don't know what to do  
'Cause it never bothers me  
When you're where you need to be  
Oh no  
I mean what do I expect  
To put a rope around your neck  
And just declare you property  
Well babe you know it isn't me  
Oh no

And I can't just estimate  
When it's gonna be too late  
You do what you wanna do  
And I'll just do the same thing too  
Oh yes  
And if we go our separate ways  
I won't say we was too late  
'Cause we never were on time  
And babe you never weren't mine  
Oh no
