There's a place I like to go, yeah  
Far away where nobody knows  
And the sun never goes down  
I can lose myself in the light I've found

'Cause when I'm, I'm in need, yeah  
It's Your love my heart receives, ooh yeah

I bonded with the Son today  
And the rays He gave, they light my way, child  
I bonded with the Son today  
And I heard Him say, "Its all right now"  
Alright

People come, people go, yeah  
Some leave you when you need them the most, yes  
they do  
But God is love, He longs to be  
More than you can believe, yeah

Won't you taste, taste and see, yeah  
That is love, this love is good, so good?

I bonded with the Son today  
And the rays He gave, they light my way, child  
I bonded with the Son today  
And I heard Him say, "Its all right now", oh yeah  
I bonded with the Son, the Son

I wanna lay everthing down at Your feet  
Wanna see You in my dreams, speak to me  
Take me to a higher place so I can see  
Ooh yeah, alright

I bonded with the Son today  
And the rays He gave, they light my way, child  
I bonded with the Son today  
And I heard Him say, "Its all right now"  
I bonded with the Son, the Son  
Oh yeah

Oh yeah, yeah, yeah
