To the maker of this house  
The holder of the key  
I gave you my heart  
But held some back for me  
Someday I would give You  
Everything I am  
But I stole my road to freedom  
I took the key and ran  
Disconnected  
With my hands over my ears  
You said You would meet me  
If I'd reach out  
I got a free will  
I'm gonna use it  
I got a free will  
Yes, I do  
I got a free will  
I'm gonna use it  
I got a free will  
Yes, I do  
Thank You for this gift  
It's still a mystery  
My freedom in Your hands  
Is how it's meant to be  
It's only when I give You  
Everything I am  
Bittersweet surrender  
Take me  
I've got a free will  
I'm gonna use it  
I got a free will  
Yes, I do  
I got a free will  
I'm gonna choose it  
I got a free will  
Yes, I do  
Something ain't right  
You gotta let it go  
Something ain't right  
You gotta let it go  
I'm gonna make it right

I'm letting go  
And it's up to me  
I got a free will  
I got a free will  
I got a free will  
I'm gonna use it  
I got a free will  
Yes, I do  
I got a free will  
And I've got to lose it  
So I give my free will  
Back to You  
Yes, I do  
The Son has set me free  
And I am free indeed
