Whoaaa hoo Whoaaa

touched my body, kissed me softly  
lots of passion, in some one elses eyes  
hesitation.. cold.. temptation  
emptinesses what I feel inside..

(Bridge)

how can I say he's not enough..  
when this.. is what I asked for..  
how can I just take from here..  
when knowing I want more..  
what is he gonna think of me..  
when he finds out what i've done..  
how do I keep from losing.. these lies (?love)..

(ref)

truth is I never loved him.  
it wasn't worth it  
they do believe all the lies..  
but the truth is, I know I hurt you  
I didn't want too..  
how can I blame you  
when the truth is I lied..!?  
you keep calling, I dont answere  
so afraid to let you back inside..  
I know you loved me..  
I feel crazy..  
what i've being wrong if I let you back in my life..!?

(bridge)

how can I take it out on you  
when im the one thats wrong..  
how can you wanna care for me  
when I wasn't strong..  
what are you gonna think of me  
when you find out what i've done..  
how do I keep from losing.. your love

(ref)

truth is I never loved him.  
it wasn't worth it..

they do believe all the lies..  
but the truth is, I know I hurt you..  
I didn't want too..  
how can I blame you  
when the truth is I lied..!?  
when no sign it done..  
you were the one..!  
that made me complet..!!  
so why did I wrong  
look what I lost..  
and look what it cost..!  
everything we had together..  
Made by DNA  
how long will it take..  
to make you forget this mistake..!?  
(fade)  
you know the truth is I never loved him.  
it wasn't worth it..  
they do believe all the lies..  
but the truth is, I know I hurt you  
I didn't want too..  
how can I blame you  
when the truth is I lied..!?

when the truth is I lied..!
