* remake of "The Symphony" from Marley Marl's album "In Control, Volume 1" "I don't care who's first and who last But I know that y'all just better rock this at the drop of a dime baby I don't know what y'all gon' do with this, but it got to be funky It got to be funky if you're gonna be on it I don't care who start I don't care what y'all do But you got to be finished before the music is through Now who's first up to bat?" - Marley Marl [Trials] Listen closely so your attention's undivided Many in the past have tried to do what Trials did But I get the last laugh, hassling bar staff Passed out in car parks, looting cars parked Staff half-mast in a crowd of sluts and if they wasn't when I met 'em, when I left 'em then they was What I'm fucking bout? This lane stuck it out American History X style gutter mouth My fam done about years of run around Half already here, half when the shit's coming around Half white, half Vader, stomp on the kicks Hit the pavement bigger than Ving Rhames is Invading your safe haven, craving Wes Craven type behaviour Still saying that.. [Chorus: Funkoars and Vents] + (Hons) Next up? (Well I believe that's me) HONS! GET ON THE MIC AND ROCK THE SYMPHONY [Hons] This jam is dedicated to those who want more out of this rap scene, then go out and buy an 'Oars album Hons one original Kidney Shifter Turn into a pissed man, it just depends which liquor Switch and chats a bit quicker but never the Vick bitter Freestyle spit to injure, now your crew's out the picture And we back on top now, Obese got it locked down I take 'em to school, but half these cats already dropped out We still standing on tour, we run rampart Pump this street anthem till your deck can't stand it I stay landed, scam the government for honest work Centrelink king who flips text like an office clerk For what it's worth, your crew ain't shit to me Pass the mic down the line of the symphony [Chorus: Funkoars and Vents] + (Sesta) Next up? (Yeah, well I believe that's me) SESTA! GET ON THE MIC AND ROCK THE SYMPHONY [Sesta] It's like flashy gift or slice, I get nice A motherfucker that's creeping the streets at around night I keep out of the light, but wanting to run it You see nobody want it, and

even the cynics say they fucking love it Plaque status,
bronze budget and treat women like Blackjack, twenty-
one and up, they bust it Fuck it, I hit it on the one-six if
they want dick But you cut your loss if the pop flips Shit,
I bring that creep show to Peepshow's and she go to
deep throat, eat it like a T-Bone The knees-bleed
section is in effect So get your bus fare, underwear
and get the fuck "out of here" Huh, all of that and she
ain't even in to me I'm signing off, it's Ses' for the
symphony so.. [Chorus: Funkoars] + (Vents) Next up?
(Yeah, I believe that's me) VENTS! GET ON THE MIC
AND ROCK THE SYMPHONY [Vents] Alright.. It's like
setting it off, letting it off, beginning Fuck it, tryna ban
my shit like John Lennon Back, Men in Black, the Great
White Shark Got a green card passport, face like a
retard You been barred by the Vents One That mean
none, nill, will match dimensions I'm large, think about
who's in charge Two nerds on the same record talking
hard? Nah Yeah, you fucking feel the wrath of the king
Challengers get a loss with a left-right swing Word 'em
up, they like wait, Vents chill Nah serve 'em up, kill the
murdered fuck Crush, build, dust 'em off Once they're
off, reign supreme, Peepshow the team [Chorus:
Funkoars and Vents] Next up? "I believe that's me"
