Baby all I wanna know, girl tell me if it's so  
Baby all I wanna know is you need me (yeah, yeah)  
All I wanna know girl tell me if it's so baby all I wanna  
know is you need me  
Here lately I don't get enough of you.  
Im thinking maybe you don't love as hard as I do  
Maybe I think too much, I just don't wanna lose your  
touch  
Baby won't you just humor me (all I wanna know)  
Baby all I wanna know, girl tell me if it's so  
Baby all I wanna know is you need me (yeah, yeah)  
All I wanna know girl tell me if it's so baby all I wanna  
know is you need me  
Baby all I wanna know, girl tell me if it's so  
Baby all I wanna know is you need me (yeah, yeah)  
All I wanna know girl tell me if it's so baby all I wanna  
know is you need me  
I don't want to suffer the pain of a broken heart  
Cause Ive decided I wanna be where you are (yes I do)  
All I want is you to ease my mind, say everything is just  
fine,  
Your love is mine all mine  
Baby all I wanna know, girl tell me if it's so  
Baby all I wanna know is you need me (yeah, yeah)  
All I wanna know girl tell me if it's so baby all I wanna  
know is you need me  
Baby all I wanna know, girl tell me if it's so  
Baby all I wanna know is you need me (yeah, yeah)  
All I wanna know girl tell me if it's so baby all I wanna  
know is you need me  
Baby all I wanna know, girl tell me if it's so  
Baby all I wanna know is you need me (yeah, yeah)  
All I wanna know girl tell me if it's so baby all I wanna  
know is you need me
