All of the above...

All of the above...

Verse1-TJ / (All):

Baby, you look so fine

You blow my mind

I can't help but wonder if your candy (tastes good)

Mmm, you kiss me so sweet

Knock me off my feet

Girl you be my lover and my friend

(You're everything i'm looking for)

And girl you're so much more

Mmm....

Chorus 1x-All:

Sunlight in my eyes

Stars up in the sky

Girl you are all of the above

Every little thing

The happiness you bring

Girl you are all of the above

Verse 2-TJ / (Clay & TJ):

Hey girl, I can't believe it's real

All this love I feel

(It's all because of you)

Such a special girl, how you changed my world

You must be an angel sent to me

You're just what I was searching for (searching for)

And girl you're so much more

Since you came into my life

Girl it's plain to see (plain to see)

How good love could be (good love could be)

It's more than words can say

Sunlight in my eyes
Stars up in the sky
Girl you are all of the above
Every little thing
The happiness you bring
Girl you are all of the above
Girl you are all of the above.....
