Visit "[Annie's Lover](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Annie's lover was a big ol' man  
He was a farmin' man  
Never spent much time worry 'bout the peoples  
In the big, big city

'Cause all he did know about was the cows and the  
chickens  
The pigs and the horses and the sheeps and the goats  
and the ducks  
They fly

Sat on the hillside, playin' his guitar  
Watchin' the whole thing  
Come down in a harmony

Well, Annie's lover was a big ol' man  
He was a African man  
He walked around and looked and saw and saw  
everything  
That his eyes could see

'Cause all he did know about was the cows and the  
chickens  
The pigs and the horses and the sheeps and the goats  
and the trees  
And the water and the fields and the mountains  
And the blue skies and the big clouds and the ducks  
they fly

He sat on the hillside, playin' his guitar  
Watchin' the whole thing  
Come down in a harmony

Oh, Annie's lover was a big ol' man  
He was a farmin' man  
Never spent much time worry 'bout the peoples  
In the big, big, big city

'Cause all he did know about was the cows and the  
chickens  
The pigs and the horses and the sheeps and the goats  
And the big, big mountains and the blue skies and the

water

And the big trees and the grass and the ducks they fly

He sat on the hillside, playin' his guitar

Watchin' the whole thing

Come down in a harmony
