Intro - All :

Hey ladies, can you tell me where the hotties at?
I like to hear ya'all scream from front to back,
I like to see ya'all workin' like that

Verse 1 - Tilky :

Pardon me,
Girl i'm really shy, I hope you understand
Please don't dust me off, or I will try again
I know it might sound crazy, as if i'm stalking you
Because I love everything about you

Chorus - All / (Tilky) :

You're a hottie, i'm sorry
I can't help it but i'm lovin' your body (oh yeah)
Can I chill wit' you? (yeah yeah) i'll be here for you
Let's go drivin' in my red ferrari
(You're all) You're all I want, you're all I dream
Please don't hesitate to call me (mmm)
Pardon me, i'm just askin'
What must I do just to make you my hottie

Verse 2 - Stevie:

Pardon me,
If I get choked up and, can I breathe?
Everytime you're smilin' blinkin' eyes at me
Girl you're sexy wrist has got a hold on me
But no words just can not explain

Chorus 1x - All / (Stevie) :

You're a hottie (yeah), i'm sorry
I can't help it but i'm lovin' your body (hey, hey, hey,
hey, yeahh)
Can I chill wit' you? i'll be here for you
(Let's go drivin' in my red ferrari, yeah)
You're all I want, you're (all I dream)

Please don't (hesitate to call me)
Pardon me, i'm just askin'
(what must I do just to make you my hottie, yeah)

Bridge 2x - TJ & Clay :

Where's my ladies? my sexy ladies
If you're a hottie then, let me see you go crazy
Will I call you, or will you call me?
'Cause i'm lookin' for, a fly girl that's a hottie

Chorus 1x - All :

You're a hottie, i'm sorry
I can't help it but i'm lovin' your body
Can I chill wit' you? i'll be here for you
Let's go drivin' in my red ferrari
You're all I want, you're all I dream
Please don't hesitate to call me
Pardon me, i'm just askin'
what must I do just to make you my hottie
