Sugarpie honeybunch  
You know that I love you  
I can't help myself  
I love you and nobody else

In and out my life  
You come and you go, go, go  
Leavin' just your picture behind, baby  
I kissed it a thousand times

When you snap your fingers and wink your eye  
I come a running to you  
I'm tied to your apron string, baby  
And there's nothing that I can't do

Sugarpie honeybunch  
I'm weaker than a man should be  
I can't help myself  
I'm a fool in love you see

Tell you I don't love you  
Tell you that we're through  
Honey I'm not tryin', I've tried  
But every time I see your face, baby  
Oh, I get all choked up inside

When I call your name  
Girl, it starts the flame  
Burnin' in my heart, tearin' me apart  
No matter how I try, my love I cannot hide

Sugarpie honeybunch  
[Incomprehensible] I love you  
I can't help myself  
I love you and nobody else

Sugarpie honeybunch  
Honey, I'm weak for you  
I can't help myself  
I love you and nobody else, baby
