Who's that a-writin'? John the Revelator!  
Who's that a-writin'? John the Revelator!  
Who's that a-writin'? John the Revelator!

Hey, the book of the seven seals  
What's John a-writin'? About the revelation?  
Hey, book of the seven seals  
Well, I who or who would I be, thousands cried of holy

Found the fountain, son of our bible God  
Daughter of Zion, Judah the lion  
He redeemeth and he bought us with blood  
John the Revelator, great advocator

Gets'em on the battle of Zion  
Lord, tellin' the story, risin' in glory  
Cried, "Lord, don't you love"  
Well, Moses to Moses, watchin' the flock

Saw the bush, well, he had to stop  
God told Moses, "Pull off your shoes"  
I let the flock go, well, you I choose
