Look here baby now you know
I can be the one to be your man
Baby now you know I'd do
Anything in the world for you

To have lovin' from my baby's eyes
Oh, lovin' from my baby's eyes
See that lovin' in my baby's eyes
Lovin' from my baby's eyes

Look here baby now you know darn well
Love you better than another man could tell
Love you baby now you know I'd do
Anything in the world for you

To have lovin' from my baby's eyes
Oh, see the lovin' in my baby's eyes
See the lovin' in my baby's eyes
Lovin' from my baby's eyes

Late at night when I take my rest
Oh, I hold your picture to my breast
Love you baby now you know I'd do
Anything in the world for you

To have lovin' from my baby's eyes
To see the lovin' in my baby's eyes
Have lovin' from my baby's eyes
Lovin' from my baby's eyes

Love you baby, love you baby
Mama now you know I do
Love you baby, love you baby
Do anything for you

I said, "Late at night when I take my rest
Oh, I hold you picture to my breast
Love you Mama now you know I'd do
Anything in the world for you"

To have lovin' from my baby's eyes
Oh, lovin' from my baby's eyes

Give me that lovin in my baby's eyes
Lovin' from my baby's eyes

Give me that magic in my baby's eyes
Oh, lovin' in my baby's eyes
Give me lovin' from my baby's eyes
Lovin' from my baby's eyes
