I need your lovin' everyday, I need your lovin' everyday  
I need your lovin' everyday, I need your lovin' everyday  
I need your lovin' everyday, I need your lovin' everyday  
I said I need your love, love, love, love, oh  
I need your lovin' everyday

I need your lovin' everyday, I need your lovin' everyday  
I need your lovin' everyday, I need your lovin' everyday  
I need your lovin' everyday, I need your lovin' everyday  
I said I need your love, love, love, love, oh  
I need your lovin' everyday, you hear what I say

I need your lovin' everyday, I need your lovin' everyday  
I need your lovin' everyday, I need your lovin' everyday  
I need your lovin' everyday, I need your lovin' everyday  
Everybody needs somebody sometimes

I need your lovin' everyday, I need your lovin' everyday  
I need your lovin' everyday, I need your lovin' everyday  
I need your lovin' everyday, I need your lovin' everyday  
I need your lovin' everyday, I need your lovin' everyday  
I need your lovin' everyday, I need your lovin' everyday
