I'm headin' out of Pittsburgh and I'm rollin' down the  
eastern seaboard.  
Got my diesel fired up and she's runnin' like she never  
did before.  
There's a speed zone ahead, alright.  
I don't see a cop in sight.  
Six days upon the road I'm gonna' see my baby tonight.

She's got 10 forward gears and a sweet Georgia  
overdrive.  
I'm takin' little white pills and my eyes are open wide.  
I just passed a jimmy n' white.  
I've been passin' everything in sight.  
Six days upon the road I'm gonna' see my baby tonight.

It seems like a month since I kissed my baby bye bye.  
I've got a lot o' women but I'm not like some other guys.  
My air horns runnin' clear.  
Baby you oughta' watch the way I shift my gears.  
Six days upon the road I'm gonna' see my baby tonight.

ICC is checkin' on down the line.  
You know I'm a little over weight and my log books way  
behind.  
But nothin' bothers a soul at night.  
I can dodge them scales all night.  
Six days upon the road and I'm gonna see my baby  
tonight.

My rigs a little old but that don't mean she's slow.  
There's a good fire comin' from the smokestack and  
the smokes black as coal.  
My hometowns comin' in sight.  
If you think I'm happy, Baby, Baby, Baby you're right.  
Six days upon the road and I'm gonna' see my baby  
tonight.

Ow woo! Ow woo!
