I want to know

where you go

I want to know

where you go

at night

when you leave my bed

and when i saw you wandering

is when I knew

you had no time for me left in your life

so Im gona hold my bab blond away blond away

so good bye

But I feel you

(dont want to let you go)

I feel you

(hey man I love you so)

I feel you

(I long you in the night)

I feel you

if you want you can try and you can make it right

Oh you are such a little child

Oh you are such a little child

and you wont give anything away  
no way, no way, no oh  
and when I saw you wandering  
when I saw you creeping is when I knew  
you had no time for me  
in your life so boo-hoo  
no youre gone  
but I feel you  
(dont want to let you go)  
I feel you  
(hey man I love you so)  
I feel you  
(I long you in the night)  
I feel you ooh ooh ooh  
Its not too late to catch me while you can  
I will be waiting for you  
you know its not too late  
its not too late  
oh baby went away  
I wish he could have stayed here  
but its not too late  
but I feel you  
(dont want to let you go)  
I feel you  
(hey man I love you so)

I feel you

(I long you in the night)

I feel you you you you (yeah
