Chuva! Chuvinhao! Venho, venho, venho ca, rapaz!

Chuva! Chuvinhao! Venho, venho ca, rapaz!

This is not political it's just that I demand attention  
when I walk into a

room

And it's not that I can't play ball hard it's just that I don't  
want to

And the more I think about this pressure love I don't  
want you

And I can't have you and that's what hurts the most

I cannot show you these things I boast

I'll throw my heart out, keep my head up, I cannot fuck  
up cuz

I got what you need boy (baby I do) but I will only cause  
you pain, yeah (I promise that)

I got what you need boy (baby I do) but I will only bring  
on the rain

So I'll prefer to run this road rough around the edges  
Good for something but

too good to give it to you You run your own course at  
your own pace but I just

got impatient See, I wanted to explore Forsake you,  
forsook you, abate you,

dissipate you So turn fate around, I believed that I was  
free of you (not)

I still believe in those days on benches at sunset or the

waves in July-or

was it March

We weathered weathers and storms real and  
imagined, such fragile tenderness

You are truly blessed

I stress this as I blow you this kiss as I blow it in the  
wind, mmwa

I got what you need boy (baby I do) but I will only cause  
you pain, yeah (I promise that)

I got what you need boy (baby I do) but I will only bring  
on the rain

Chuva! Chuvinhao! Venho, venho ca, rapaz!

Gonna make u cry so damn hard you're gonna curse  
your drawers and wish you

weren't a boy

Gonna make u cry so damn hard you'll curse your  
drawers and wish you weren't

a boy, yeah

I will make u cry

I will make u cry

(Boohoo)

They say time is made of memories

Well I remembered and I'm tired

This is not political

It's just that I remember the fire

Babe you left me with my head held high and I feigned  
to be more than I was,

didn't I

I thought I could do without sugar love but this  
chocolate has turned into

sweet bubble gum

Candy is sweet but honey is sweeter

It tastes like the real thing but candy is much much  
cheaper (Cheaper)

I got what you need boy (baby I do) but I will only cause  
you pain, yeah (I promise that)

I got what you need boy (baby I do) but I will only bring  
on the rain

(rain a'fallin' down, rain a'fallin' down, hahahaha)

(rain a'fallin' down, rain a'fallin' down, hahahaha)

(rain a'fallin' down, rain a'fallin' down, hahahaha)

...time crying...you'll be crying... I'm sorry I made you  
cry... I didn't

mean to, let me wipe those tears away...wipe those  
tears away...don't cry

baby...it's only rain
