## 1.Strophe

I would wake up

When you shake up

I would bring

And sometimes sing

I would live

That I can give

I would react

That I can respect

Refrain

I would bring you down

To the place you've grown

I would show you the sky

That you feel you can fly

That you fly one more time

## 2.Strophe

Cause I need you

And I feel you

And you are pretty too

Bye, bye my baby

Cause you're ready

You are sexy

You hear Slim Shady

Cause you are Nancy

Refrain

I would bring you down

To the place you've grown

I would show you the sky

That you feel you can fly

That you fly one more time
