1.Strophe

She is so pretty, sexy and cool
What to do? I love her body, too
Can I respect what ever I had expected
Let me go, let me go!!!

Refrain

You are my neighbour
You are my favor
Cannot look, I cannot look like me
Scream I'am, scream I'am free

2.Strophe

That's one obsession, cruel and bad
Use your body, use your body like that
Say the fuckin' word you would
Suck you, 123 Go, 123 Go!!!

Refrain

You are my neighbour
You are my favor
Cannot look, I cannot look like me
Scream I'am, scream I'am free
