Home...He hasn't been
And even though...He hasn't grown
We will keep on grinning
The phone...Just turned him in
Life...But maybe 10
Sad poor Rubin
He ran to Mexico
Maybe not...You'll never know
We're so glad he's finally gone away
He's gone don't bring him home
We'll find another gnome
Run...We'll miss him none
So Sad...Poor Rubin's gone
Press our luck again
I've seen a hundred ways
Can't Stop it's not a daze
I feel that our luck is going to change
