In a lifetime without memories  
I believe in destiny  
Ev'ry moment return to get in time  
When I've got the future on my mind,  
Know that you'll be the only one.

CHORUS:

Meet me halfway across the sky  
Out where the world belonged to only you and I  
Meet me halfway across the sky  
Make this a new beginning of another life.

In a lifetime there is only love,  
Reachin for the lonely one,  
We are stronger when we are givin' love  
When we burn emotions on the line  
Know that we are the timeless ones.

(repeat chorus)
