featuring Nate Dogg

Warren G-

1, 2 buckle my shoe,

3, 4 we gotta hit the store,

5, 6 back in the mix,

7, 8 Warren G and Nate,

Nate Dogg-

Bang to the boogy say up jump the boogy

to the rhythm of the boogidy beat

I dont love no hoes they know so they don't be fuckin
wit me

Warren G-

A long time ago I met Annie Mae

she was killing me softly like everyday

penetentiary steel, was stickin for real

blockbustin through the walls

now I'm makin housecalls

Nate Dogg-

I thought I'd met a lot of scandalous women, and then I
met Annie Mae

Got a thin big butt like steel

But she didn't have a place to stay

Warren G-

She was shackin at mine and shackin at his

blowin my socks, tellin his biz

Nate Dogg this and Nate Dogg that

213 skirt, and we stay intact

So I told the homey Nate don't be mislead

ain't no fun if the homey can't shake a leg

so I went to the house and knocked on the door

and guess who it was, Annie Mae you H-O

(Chorus)

I once knew a trick named Annie Mae (Annie Mae)

(I once met a bitch named Annie Mae)

I once knew a trick named Annie Mae (Annie Mae)

I once knew a trick named Annie Mae

Nate Dogg-

Remember yesterday I asked you baby have I seen you
somewhere before

with just one look, the pussy was took

cuz I make music that you adore

Now I'm not sure and I might be trippin

but in 94 I heard a song

it ain't no fun unless the homeys can come

so Warren G put a condom on

Warren G-

Now Nate you know me and I know you

I got rubbers, gin and socco(?) too

so lets do the do, on how we do,

never my boot, just a freak that I knew

Chorus

Warren G-

Annie Mae, Annie Mae, you ran out of time

Warren G and Nate Dogg blew your mind

cuz if you trickin wit him

you trickin wit me, you trickin wit the 2 1 muthafuckin 3

I came from rags to riches

trustin no snitches

thats how we do on 9 C I X bitches

buck em, fuck em, and put em in the trash

and jump in the 600 Benz and dash

Nate Dogg-

Hold up Warren before you go just a couple things I got
to say

Are you goin home, I wanna be alone

You need to take this... home

Chorus x3
