LBC D-E-F-G

I'm H-I off J's bellin in a T-shirt and blue jeans

well few dreams ever come true

well some do, so nigga say (I'm from the beach too)

Long Beach City G's Funkin

and its a pity who many we's punk and drunk

in a hotel lobby at a town near you

housekeeper's high, and drinkin beer too

cleared through the nite

my niggaz movin with the skirts

in the boxes, houseshoes, and slingshot t-shirts

its gettin late, I'm runnin out of gas

so Warren G tryin to see whats up on some ass

really doe, y'all enjoyed the show, good

but what you know about these Long Beach boys in the
hood

should anything go wrong and niggaz act shitty

remember fool this is Long Beach city, punk

(Chorus)

Can you feel it

Can you feel it

Can you feel it

Can you feel it

Well it was boring until Warren G came on the scene

put the G-Funk with the gangsta lean

its been about 2, is he comin through?

I dropped this one just to show you I'm true

People say Warren where'd you get that speech

in the sandy city right down by the beach

speak, dont speak on, if you wanna speak on

if you wanna get yo groove on, LOC on

to the fullest, bounce rock skate,

a new time, a new rhyme, legislate

thats how we do it in the S-I-X

LBC, 213, and we straight shit at the next

so lets party hearty like Lodi Dodi

we punkin yo city you betta ask somebody

cuz if you dont, we ain't showin no pity

more bounce to the ounce and we rockin yo city

(Chorus)

From city to city and state to state

this DJ gonna regulate

so playa hate if you want to, I dont give a fuck

I'm still G-dubb and I'm subbin in my truck so good luck

and have a nice trip

we got y'all town locked down like a vice grip

I'm on the dice tip, shootin C-notes

a dollar and the bones hollerin G-oats
cuz we quotes, them gangsta raps
that ya'll paid for, and we banks the snaps
we perhaps, if you could see what I see
then you might be gettin paid like this nigga Warren G
so fee, fie, foe, I'm from, the LB to the C nigga dont act
dumb
outta site, outta mind, so where y'all gonna put us
Warren G and the Twinz and my girls Five Footaz
(Chorus) x2
