featuring The Dove Shack

G Child-

Mr. President, hey, this is the G Child

Spacekateers, I'm back baby yes I'm back

And Mr. President you're not chillin in the house baby

You're not chillin in the house

Ya know why? huh? huh? Should I tell ya?

You know why? Yeah.. cuz ya ya ya ya chillin in the shack beeyatch!

(Chorus) x2

This is the shack, this is how we act

Caps I peel, flex my steel

Its ya muthafuckin third letter of ya alphabet

put Knight at the individ

its a nigga you can't get with

funky styles, I be showin niggaz

I be blowin niggaz straight out they socks, because

The Dove Shack is comin more twisted than dreadlocks

now plot on the shack if you wanna

but if you get caught slipping

we will be dippin

down your block

just to street sweep your spot, nigga

but you can still follow along, grab ahold of my nut
sack

because I've got the doja

oh I haven't told ya much love to my nigga Warren

He's a G, hook me, now I'm gettin funky

I'm chillin with my feet up on the table in the shack

with my revolver, problem solver

waitin for a nigga to fuck with this

so I can let his ass know who he is

(Chorus) x2

This is the shack, this is how we act

Caps I peel, flex my steel

2 Scoops-

Its the nigga 2 Scoops, the Long Beach Eastsider

niggaz start to duck when I come cuz I'm a ridah

so I suggest you get the 411 on the shack

we peelin caps to the front, then we peel em back

approachin the wrong way, with no delay I blast your
ass

draw for the gat but the Scoop is much faster

you can't miss me with that, step in my path

I let the AK ripper cut that ass in half

I dwells, I bells, in the LBC

the real menace to society

packin up alrighty

a flow, but watch the one I used to abuse this track
we in front of that ass and you still can't see the shack
so pack up your gear and run and hide
(and pass the doja to the left hand side)
we comin like that, it ain't no love for no rat
I guess thats how we act when we chillin in the shack
(Chorus) x2
This is the shack, this is how we act
Caps I peel, flex my steel
As you enter into the zone called the G Funk (now relax)
here a lie a war with the west (Dove Shack)
kicks it is a know em
rip em will be torn
dip it as we flip it
wicked with the Warren G child
see styles, meanwhile freestyles have been rendered
I see the door of your mind, may I enter?
I knock and I promise I wont hurt you
the definition of G Funk is just something to like swerve
to something to smoke herb
to sunk we and we serve
get with the dope herb
take a tall kid beat the loccness
lessons will be taught before caught in the shuffle
flexin all the muscle, livin large is fuckin rustle

I'm Simmons, I'm Robin, like givin

I know you love this funky style

out this world, make your head twirl

hear the less, now play the squirrel as you earl on the
track

who am I Bo Roc from The Dove Shack

(Chorus) x2

This is the shack, this is how we act

Caps I peel, flex my steel

Cuz you ain't in the house, cuz you's in the shack

fire up the sack, this is how we act
