[Skant Intro]

This is a Thug World Order
Callin' all thugs to the fuckin' front line
The real motherfuckin' thugs
Fuck them clones, fuck the imitators
The real

[Chorus]

Everybody with somebody get up out yo chairs
It's that thug finale, we gonna rock it for the year
If it's hot then it's hot, if it's not we make it hot
I Got my Mo' Thug Family and we loadin' all the Glockes

[E Mortal Thugs]

I'm a born made killa, call me to grab the gat
Slap a bitch, stitch a nigga
Through rip they block picture
Picture me spittin' just to get at him
He see the Navi'
Niggaz that was with him, never had him
The bullets from the guns was at him
So sad, he should've known my niggaz was gon' get
back at him
And bury on this thug finale, yeah

[Layzie]

I'm a bad lil' nigga and the sky's the limit
See I'm livin' my life cause I'm buyin' the bar
Ya'll niggaz ain't out here gettin' this paper and I'm
wonderin' what type of clowns is ya'll?
Mo' Thug niggaz gettin' it, spittin' it, hittin' ya'll
off with the real shit swiftly
Simply out here puttin' it down
Be ready for the brand new sheriff in town
(Well what's wrong with this one?)
"I shot the sheriff and I repoed his badge"
(This fellow look like he dead)
Up all ya'll wallets give me your jewelry and your cash
211, and a 187 murder is what we bringin'
Wit a Mac-11, and a 3-5-7
Weapons for your clique and we gon', strip this game

Flip this game, so nigga don't push me
Cause the world, I'm ready to fuck it like some hot
steamy pussy
If you with me, nigga you with me
Nigga if you mad then you fake
I gotsta holla at Skandalous Camp cause we got money
to make
Let's get it, get it

[Skant]

I was born affiliated and never was underated
Cowards wantin' peace when there's war in the streets
It's all about the scrilla and niggaz back stabbin'
they niggaz for them dead prez
Cut throat, is how this game lead
I bent the corner on 20 inch chrome
Bumpin' Mo' Thug and Bone
And holla at the weedman for 2 zones

[Chorus] 2x

[E Mortal Thugs]

I'm 19 with 19 to put in yo spleen
No "If" "Ands" or "Butts" or maybe "Between"
A mini 14, I hit the scene with somethin' so mean
Vietnamese'll feel the heat
Comin' from these, T-H-U-G-S
We G's
Enemies, They bleed
Runnin', duckin', hidin', tryin' to find police

[Krayzie]

And when we find 'em, we bringin' the heat
Krayzie the first to bust that pump
No need fa' the LeathaFace
We goin' all out cause we don't give a fuck
How many niggaz that's say they ready for war, when
we
gon bust? huh huh?
Why you niggaz is sayin' you ready to roll and you ain't
tough, chump
What the fuck is a matter with you?
You tryin' to get killed nigga, peeled nigga?
Better stay in the house cause I'm the field nigga the
real nigga

[E Mortal Thugs]

I keep, heat with me
Cause I known to stack cheese
My peeps, is E-M-T
And we known for that beef

We ram shock your block with glocks
It don't stop
It won't stop till Mo' Thug, my dawgs reach the top
You niggaz is ass out
Cause we back in this bitch
Droppin', hit after hit
Makin' you niggaz sick
So suck my dick

[Skant]

I'm a Ol' E drinker, Mo' Thug-ass nigga
Hustla to stack figures, creepin' is how I get you
Slippin' and that's yo stash
I plotted you for your cash
Stuntin' for a piece of ass
Now look at you all mad
Real niggaz stick together
Haters they think they clever
But I'm a out smart 'em, carve 'em, and leave 'em with
no cheddar

[Chorus] 4x

[Outro, Martin Luther King]

To Bring The Colored Peoples Of The World Out of their
long years of poverty
Their long years of hurt and neglect - the whole world
is doomed..
