[Hook]

It's too late to turn back now  
I just can't go right now  
I'm caught up in this dope game

It's too late to turn back now  
I believe, I believe, I believe  
I'm caught up in this dope game  
(Repeat)

[Verse 1]

I got 4 eyes and 2 heads, growing dreads  
And the feds wanna see a nigga dead  
Shit, I ain't scared to die  
If my babys gettin fed  
Y'all hoes wanna come to my house in the morning  
time  
Asking me about some hydro sticks  
All y'all hoes can kiss my ass  
Guess what I done already smoked the shit  
Tell the snitch that sent you here, he overwith  
I'ma cut his throat, I'ma scale his ass  
I'ma do him like a dead fish  
Shit, you wanna tell 'em somethin, well go tell 'em this  
Ya ol' man is a weak bitch  
He got fucked up in '96 with 8 pounds and 5 bricks

[Hook]

It's too late to turn back now

Remember that time when you gave him one  
Told him to bring ya back twenty-two
