itsu demo hanashitakatta hanbun mo ienakatta
always wanted to tell you, but couldn't even tell half
au tabi sonna watashi wo tsutsumi komu hitomi ni aeta
I was able to meet those gaze that surrounds me
everytime we met

soba ni iru yo yume wa tsutaerutabi kagayaku yo
I'll be near, the dreams shine everytime we tell it
sotto kureta egao ga totemo ureshikatta yasashikatta
that soft smile of yours made me happy, it was kind

glory glory you're my shine kono namida mo
glory glory you're my shine even these tears
kimi ga iru kara yuuki ni kawaru
changes into courage because of you
akiramenaide aruite yuku negai kanau basho e
without giving up, I'll walk to that wish-granting place

mirai wa dooshite futari kimi wa mada soba ni iruno
why is the future with you? why are you still near me?
futari ga deatta machi wa kyou mo mata ugoki
tsuzukeru
the city we met in still continues to live today
shinjirareru itsumo daiji na mono wa kawaranai
the things I can believe in always won't change
tooku hanareru toki mo kokoro musubiaeru waraiaeru
even if we're far apart, our hearts are together, laugh
together

gkory glory you're my shine samishii yoru mo
glory glory you're my shine even lonely nights
kimi ga iru kara yuuki ni kawaru
changes into courage because of you
kono te no hira ni aru nukumori zutto hanasanaide
without letting go of these warmth in my hands
hontou wa ima mo mabushi sugiru
actually, it's still too bright for me, yet
kimi ga iru koto hokori ni omou
I take pride of you being here
kujiketa toki mo mae wo aruite michi wo terasu you ni
even when I'm down, I still walk forward as to lighten up
the paths

nagareru kumo mo soyogu kaze mo
even the flowing clouds and the swaying wind
kimi ga iru kara yuuki ni kawaru
changes into courage because of you
kono te no hira ni aru nukumori zutto hanasanaide
without letting go of these warmth in my hands

glory glory you're my shine donna toki mo
glory glory you're my shine no matter when
kimi ga iru kara yume wo mirareru
I can still see dreams because of you
tsuyoku naritai wakachi aitai kitto tadori tsukeru
I want to be strong, understand each other, probably to
arrive someday
