[G. Dep]

Yeah...

Yeah, me and my man's and them

We gon' blast off

Bad Boy nigga, and we don't stop

Come on to the top, blast off

Yeah, yo

Aiyyo, I take it up top for my peeps

Cracks in they Jeeps, don't sleep till they 6 feet deep

No 'lax' in my tracks they potent

Fuck homicide, I'ma ride, keep smokin'

I keep smokin' till the bullshit filter

Like cigarettes, Dep came through, killed ya

When I swerve hit nerves

Number 1 contenders, I put 'em on injured reserve

And everybody know what's golden, matter of fact
platinum,

?mores trap to mold in?

Once I explode and I, burn up the road and

Cruise around the globe, the cops thinkin' it's stolen

Understand, the world's in my hand

G. Dep in this scam, no stunt

Bitch play the front

And I'ma show you how to lay back do a buck while you
puff on a sac

Cause yo, I'm about to blast off -

Straight to the chase, cause everybody know what's the
case

Aiyyo, I'ma about to blast off

Straight to the point, aiyyo, yo, light another joint

Nigga, I'ma blast off

Right to the top, aiyyo, no, I ain't gon stop yo

Nigga, I'ma blast off

Straight to the dome, you entered in the Bad Boy zone

[Mark Curry]

Yo, yo, uh

Who's a nigga harder than me?

On the boats, make it known how the slaughterin' be

Damn, Curry ain't the shit? Put the name in your mouth
Got it different? You ain't on what you talkin' about
Bustin' off in her mouth, catch me
I'm feelin' for whoever test me, pity for whoever
second guess me
Know how to ?manhand'? it's real as it get
Feelin' my shit, straight through the cealin' with this
Bet your block love it, find me only with the grimy
Gutters of the street where my mind be
Play the game, get you a 'zil'
Forever, put you until, it fit me to kill
Heat, got it with me still
Flip the game over, see me, we be, untouched
Out like your motherfuckin' guns bust, BLAOW
Sure shot, hit again, spit it grim, anytime, anyplace
Bitch, I'm about to-

[G. Dep]

Blast off, yo I get it poppin'
When I rock, yo it's non-stoppin'
Yo, I'm about to blast off
See me at the show, when I rock everybody know
Ayyo, I'm about to blast off
Bottles gon' pop, cause when I rock, everybody rock
Ayyo, I'm about to blast off
Straight to the top, cause everybody know this is hot

[Loon]

Ayyo son, I'm about to blast off, like an astronaut
Niggas don't wanna see a nigga blast the glock
Niggas don't wanna see a nigga flash the rocks
And pop up in the flashy drop - motherfuckers
Niggas know me, Loon's a gunslinger
Fuck fightin' a nigga, I'm usin' one finger
Catch one of you rap cats in the 'Humdinger'
Some niggas get shot, livin' with 'pump-singers'
Expect to die, I'd rather sit in a chair, electrified
This thing here, testify
But, other than that though, we never get caught
We ?Joy Jefferson? walk, out of federal court
We came ready in ?thought?, ain't better the sport
So whatever you thought, you can use whatever
support
But, I think it's best you go 'head and just walk
Or have the cops find traces of lead in your corpse
Yo, I'm about to-

[G. Dep]

Blast off-
Straight to the chase, cause everybody know what's the
case

Aiyyo, I'ma about to blast off
Straight to the point, aiyyo, yo, light another joint
Nigga, I'ma blast off
Right to the top, aiyyo, no, I ain't gon stop yo
Nigga, I'ma blast off
Straight to the dome, you entered in the Bad Boy zone
