Na na... na na... na na... na na... na na na [2x]

All along you played it rough.
You did me wrong. Oh, I've had enough.
Yeah, yeah.

'Cuz every clue I didn't see
From all the things that you've done to me.
Yeah, yeah.

Why has it taken so long
To see what's been happening to me?
This time around, hey, I'm gone.
Hey, I'm gone.

Oh, your lying eyes were telling me
The way you feel is all a disguise.
Yeah yeah

I can't believe I've been a fool
For loving you way too damn long.

Why has it taken so long
To see what's been happening to me?
This time around, hey, I'm gone.
Hey, I'm gone.

You better get ready for a stormy day,
'cuz everything you love's about to wash away.
I'm not gonna stand around and let you be
So cruel to me. No.

Na na... na na... na na... na na... na na na [3x]
Oh, so cruel to me.

Oh, why has it taken so long
To see what's been happening to me?
This time around, hey, I'm gone.
Hey, I'm gone.

You better get ready for a stormy day

'cuz everything you love's about to wash away.
I'm not gonna stand around and let you be
So cruel to me. No.

I'm not gonna stand around and let you be
So cruel to me. No.

Na na... na na... na na... na na... na na na [3x]

Not gonna stand around and let you be
So cruel to me. No.
