I don't get around much like I used to.
I don't cry, not unless I want to.
Might be somethin' in the air.
Might be that I just don't care.
Might be cuz I lost my baby,
Or it might be my mind, yeah.

Well, you might think that I'm talkin' crazy.
Might even believe its true,
Cuz right now my life's a little hazy.
Can't even put on my shoes.
Might be cuz the worlds gone crazy, darlin',
Or it might be my mind.

Search your soul and you will find
That your heart won't tell a lie.

I can't lie even if I want to.
My momma didn't raise no fool.
Hey, I seen what you go believin',
And I know about the Golden Rule.
Might be cuz I'm a dreamer, baby,
Or it might be my mind

Search your soul and you will find
That your heart won't tell a lie.

Search your soul and you will find
That your heart won't tell a lie.
