I'm not afraid to dress the way I please
to wear my rags anytime on any street
and I'm not afraid to say what I like
'cause I get what I want anytime any night
I'm not like you
I'm not like you
No I'm not like you
Just keep to myself
I don't look like most people do,
but I dress real sharp, and I feel real cool.
I'm not calling on your mom or your dad,
If they like it or not, I don't even care!
'cause I'm not like you (I'm not like you)
No I'm not like you (I'm not like you)
No I'm not like you
I keep to myself

Yeah I'm not like you
No I'm not like you
No I'm not like you babe
I keep to myself
No I'm not like you
Ohh I'm not like you
No I'm not like you
I keep to myself
Nono I'm not like you (I'm not like you)
Oh I'm not like you (I'm not like you)
Never never never never never not like you
I keep to myself
Yeah! Leave me alone girl!
