I was living on my own.
Didn't know my right from wrong.
Then you came my way. Yeah.

When I looked into your eyes, I saw paradise
And I fell in love. Love.

Together, we were having fun.
In each other's arms, we felt like one.
It was just like a dream.

Never really crossed my mind there would ever come a
time
That you'd walk away. Yeah.

How'd we go wrong?
Tell me, why am I alone?
I never really cared about love.
Now, love, it don't care about me.
Love don't care about me, no.

Now I'm sitting all alone.
Guess you won't be coming home.
Oh, it breaks my heart.

I don't wanna say goodbye.
The thought, it only makes me cry.
But what else can I do? Oh.

How'd we go wrong?
Tell me, why am I alone?
I never really cared about love.
No, I never cared about love.

I know that it's over,
But I can't bring myself to face goodbye. Oh.
I never cared about your love.
Now love, it don't care about me. Oh, no.
I never really cared about love.
Now, love, it don't care about me.
Love, it don't care about me.
