Take a load off, baby  
Get off your feet  
Just kiss me darlin'  
Baby, make it long and sweet  
'Cuz I tell you baby, I am the man to beat

I wanna hold you closer yeah  
Hold you close to me  
Just let me love you baby now  
Darlin' make it long and sweet  
'Cuz I tell you baby, I am the man to beat

'Scuse me

Just let me love you baby now  
Darlin' make it long and sweet  
'Cuz I tell you baby, I am the man to beat

I wanna hold you close now  
Yeah hold you close to me  
Just let me love you baby now  
Now Darlin' yeah this time make it short and sweet  
'Cuz I tell you baby, I am the man to beat!
