"More than love"

we were in love before
But now it's so much more
Cause when I kiss your lips
I can't explain
What I feel in my heart for you

I don't know what I'd do
Baby, if I lost you
Cause I've been without you
And I know how it feels
And I can't be alone anymore

I know its more than love
Baby, I can feel it
When I'm close to you
I know its more than love
Baby, do you?

And maybe my words don't explain
Why I'm feelin' this way

guitar interlude

Maybe my words don't explain
Why I'm feelin' this way

I don't know what I'd do
Baby, If I lost you
Cause I've been without you
And I know how it feels
And I can't be alone anymore

I know its more than love
Baby, I can feel it
When I'm close to you
I know its more than love
Baby, I can feel it
When I'm close to you
I know its more than love
Baby, do you?
