Doesn't matter how far I go
Doesn't matter how long I sleep
Doesn't matter if the nights are long
Doesn't matter the time of day

All I'm sayin', is that my love is true
I'm always here for you

Our love is deeper than any ocean
My heart is poundin' with real emotions
Our love is sweeter than any potion
My heart is poundin' with real emotions, yeah

Wouldn't matter if there's a hurricane
Wouldn't matter if there's a tidal wave
Doesn't matter if your farm goes down
Doesn't matter if I'm away

Cause all I'm sayin', is that my love is true
I'm always here for you

Our love is deeper than any ocean
My heart is poundin' with real emotions
Our love is sweeter than any potion
My heart is poundin' with real emotions, yeah

Sigale bailando, orale!

[guitar solo]

Everything I have, I'll give to you
I'll make your dreams and wishes all come true
We'll bond together in the heat of love
Under the stars above

Our love is deeper than any ocean
My heart is poundin' with real emotions
Our love is sweeter than any potion
My heart is poundin' with real emotions

Our love is sweeter than any potion

My heart is poundin' with real emotions
Yeah, yeah

[guitar solo til end]
