Oh, you better watch out, you better not cry  
You better not pout, I'm telling you why  
Santa Claus is coming to town

Well, he's making a list, he's checking it twice  
He's gonna find out who's naughty and nice  
Santa Claus is coming to town

Well, he knows when you are sleeping  
And he knows when you're awake  
And he knows if you've been bad or good  
So be good for goodness sake

Oh, you better watch out, you better not cry  
You better not pout, I'm telling you why  
Santa Claus is coming, baby  
Well, he is coming to town

Well, he's making a list, he's checking it twice  
Gonna find out who's naughty and nice  
Santa Claus is coming, baby  
Well, he is coming to town

Well, he knows when you are sleeping  
He knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake

So you better watch out, you better not cry  
Don't be poutin' 'cause I'm telling you why  
Santa Claus is coming  
Yeah, he is coming to town, oh yeah  
Yeah, he's coming, Santa's coming  
Yeah, he is coming to town, oh yeah
