I've got to say, there's somethin' on my mind
About the way you've been for a long, long time
You've got your mind set up on what you're gonna do
Let me tell you, baby
Mama didn't raise no fool

You're my little Se?orita
Y t? eres la mas bonita
You got it going on
Hey, hey, hey

Mama warned me about a girl like you
Said, a girl like that is gonna break your heart in two
With her sexy legs and hair and nasty lookin' walk
Stop right there Mama
You know that's what I want

You're my little Se?orita
Y t? eres la mas bonita
You got it going on
Hey, hey, hey [2x]

Hey, hey

You're my little Se?orita
