If I told you I love you
Would you walk away?
I'm not trying to fool you
There's no playing games
You're tired of being alone
And Oh, I feel the same
Oh,oh,oh
Maybe falling in love
Will take away your pain

So I have to say (I have to say)
That I really love you (I really love you)
Don't be afraid (Don't be afraid)
I just wanna know (Just wanna know)
If you're staying with me

Oh I can take you away
To places out of this world
All I need is the time of day
To make your dreams for real
Take a chance on love
I'm gonna do the same
Oh,oh,oh
With two hearts of a kind
We're gonna have it made

So I have to say (I have to say)
That I really love you (I really love you)
Don't be afraid (Don't be afraid)
I just wanna know (Just wanna know)
If you're staying with me

So I have to say (I have to say)
That I really love you (I really love you)
Don't be afraid (Don't be afraid)
I just wanna know (Just wanna know)
If you're staying with me, yeah

Ohhh

Oh, don't go running away

Like you have before
Oh,oh,oh all your wildest dreams
Are just beyond the door

So I have to say (I have to say)
That I really love you (I really love you)
Don't be afraid (Don't be afraid)
I just wanna know (Just wanna know)
I have to say (I have to say)
That I really love you (I really love you)
Don't be afraid (Don't be afraid)
I just wanna know (Just wanna know)
If you're staying with me
Are you staying with me

Stay with me baby
Stay with me babe
Oh
Stay with me baby
Stay with me baby
Yeah, Yeah
Oh, Yeah
