Are you lookin' at the moon tonight  
You even brave enough to try  
To find your strength inside  
Change your mind, decide

Cause I fell from the sky  
I tried to catch your eye  
In a velvet sky  
Did you wish upon a fallin' star

Do you know where you are in your life  
Are you walkin' in between the lines  
I can tell by the look in your eyes  
You're hurtin' way down inside

Cause I fell from the sky  
I tried to catch your eye  
In a velvet sky  
Did you wish upon a fallin' star

Afraid to leave your pain behind  
Never know what you're gonna find  
When you look up at the velvet sky  
You will finally come alive

Hey Baby!

Cause I fell from the sky  
I tried to catch your eye  
In a velvet sky  
Did you wish upon a fallin' star

Fell from the sky  
I tried to catch your eye  
In a velvet sky  
Did you wish upon a fallin' star

Did you wish upon a fallin' star

Did you wish upon a fallin' star

Hey Baby

Did you wish upon a fallin' star

Hey Baby

Did you wish upon a fallin' star
