You tell me that you left him,
not so long ago.
And now you say you're sorry,
now you say you're sorry.
Now you wanna appologice,
but he don't wanna listen.
You've got what you've been asking for,
and you don't know what you're missing.

Don't know what you're missing.
His love is hard and true.
Don't know what you're missing.
You haven't got a clue.
You wonder who's the new love his,
who's getting all his kissing.
Ask me how I know all this,
that you don't know what you're missing.

So there's no use in knocking,
upon his door.
Go back to where you came from,
to whom you left him for.
And treat him as you love him,
let this teach you a lesson.
This one is too good for you,
and you don't know what you're missing.

Don't know what you're missing.
His love is hard and true.
Don't know what you're missing.
You haven't got a clue.
You wonder who's the new love his,
who's getting all his kissing.
Ask me how I know all this,
that you don't know what you're missing.

Hey girl, take a really good guess,
cuz you don't know what you're missing!!!
