Hey dad, I'm goin' out tonight  
He's a real nice guy, gonna treat me right  
I know you think it's a little bit late  
But he makes my heart go boom  
Well now, hold on did you ask your mom  
You know how she worries  
Is your homework done?  
And what about the mess up in your room?  
Come on daddy, won't you get a grip  
Sixteen years you haven't changed a bit

[Chorus]

Don't you worry bout me, you'll see  
We're just gonna watch t.v. and drink some iced tea  
Don't you worry 'bout me  
Don't you worry 'bout me  
You always make it harder than it has to be  
Don't you worry 'bout me no, no, no

Mamma said I could take the car  
Don't wait up you know, chances are  
I'll be in around midnight  
I'm a big girl after all  
Uh uh, wait a minute not in that short skirt  
Your top's too tight, here's my old sweatshirt  
Did you charge your cell phone?  
Make sure you call  
Come on daddy, won't you get over it  
I'm all grown up, we're not joined at the hip

[Chorus]

Don't you worry bout me, you'll see  
I won't let him put his hand on my knee  
How hard could that be?  
Don't you worry 'bout me  
No don't you worry 'bout me  
I might be sweet sixteen but I ain't naive  
Don't you worry 'bout me no, no

Come on daddy, you got to admit  
You're overreacting just a tiny bit

[Chorus]

Don't you worry bout me, you'll see

You just can't keep me under lock and key

I mean honestly

Oh, don't you worry 'bout me

Don't you worry 'bout me

Someday you gonna, gonna have to set me free

Don't you worry 'bout me

No, don't you worry 'bout me
